

Establishing Vegetable Security...

UbuNyE Foundation is working with communities to establish Tower Vegetable Gardens and Green Business Plans

Which programmes?

Isisekelo, with support from UbuNyE Challenge, Jim Joel Fund and Innovation Edge is working with ECD practitioners and parents to establish Tower Vegetable Gardens at each ECD centre. They will supply fresh vegetables for the children and sell the surplus to the local community.

Sinako, with support from Distell Development Trust, National Lotteries Commission and the Jobs Fund is working with 29 Savings Groups to establish Tower Vegetable Gardens to supply their families and sell the surplus vegetables to local spaza shops

How many will be involved?

2076+
people will have access to fresh vegetables

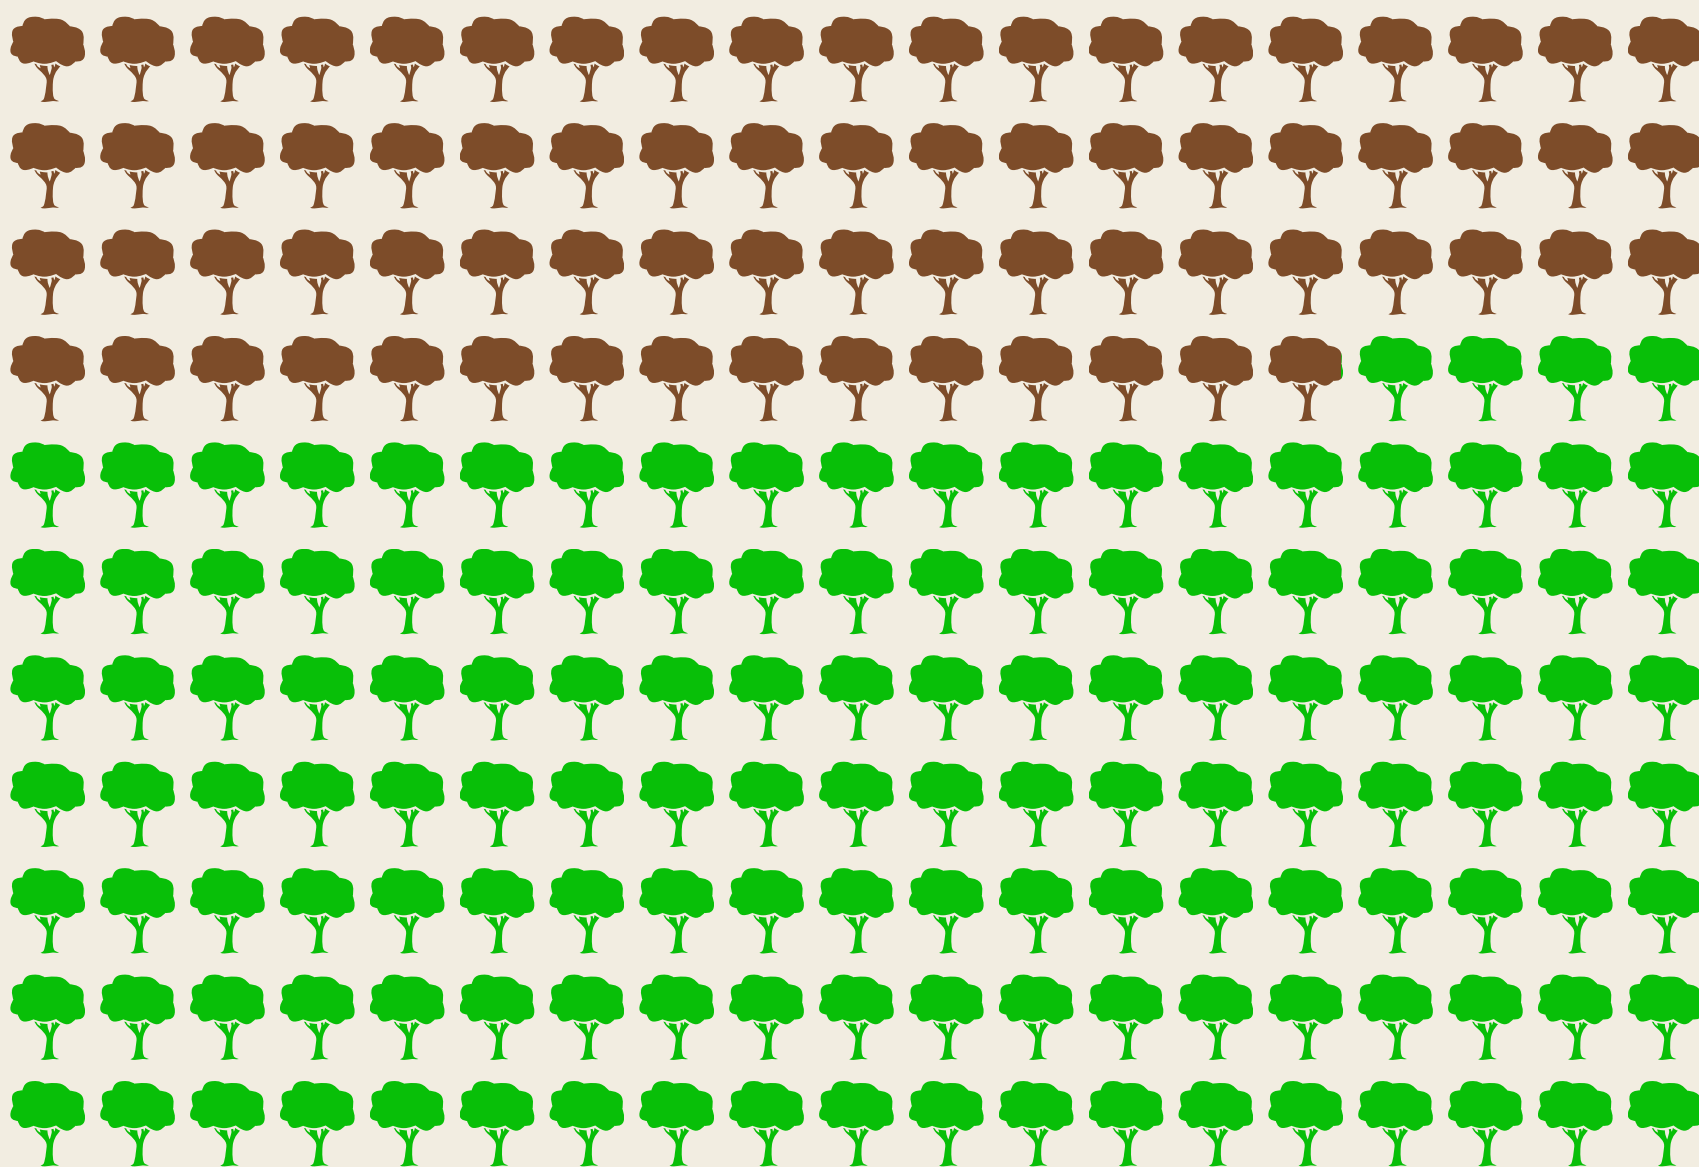

900

1176

- Children at ECD centres
- Family members at home

How many to go...?

● Still to come... ● Done!

Who is supporting us?

There are many donors and partners who are supporting us to join with communities to establish these Tower Vegetable Gardens and to get vegetable security a reality.
